

DESPERATE HOUSECAT FIONA 31416

We **HATE** when this happens! **FIONA** has found herself at AAS because her owner suddenly passed away. She is **sad, scared and confused**. She was **very much loved** by her human, and is **very sweet**. What we want for **FIONA** is a **quick exit** from the shelter, either through adoption or foster. She's a bit on the **shy** side, but is comforted by human interaction. She **loves having her head scratched, and will make biscuits and purr**. **FIONA** is easily picked up and held, and enjoys being brushed. All she needs (and deserves) is a **quiet home with a warm bed, tasty meals/snacks, and a loving, patient person who will give her time to feel safe again**.
