

DESPERATE HOUSECAT FROG 14326

FROG was brought to AAS with his cat buddies after their owner moved and left them behind. He is a member of our CACTUS CATS program - <http://austintexas.gov/page/cactus-cats>, and is receiving confidence boosting through clicker training. **FROG** is playful, and interactive play is a great way to make friends with him. He is very shy, and tends to hide, or to run when you approach him. **FROG** needs a cat savvy adopter who will give him the time he needs to continue his confidence building journey. He also needs a cat friend in his new home.
