

DESPERATE HOUSECAT LEGOLAS A901154

LEGOLAS is more than a handsome face! He's a cuddler and loves to be petted. He is a former community cat who wasn't doing well in his outdoor environment. Shy when he first meets you, **LEGOLAS** qualifies as a **CACTUS CAT** - <http://austintexas.gov/page/cactus-cats>. He is going through clicker training and building his confidence. You need to go slow with him because he can sometimes get anxious, but with time and patience, he'll soon be following you around and asking for snuggles. **LEGOLAS** likes other cats, and would probably do best with a cat friend in his new home.
