DESPERATE HOUSECATS

LOLA 32720 & QUINCY 32722

~BONDED SISTERS SEEKING HOME TOGETHER~

Such an adorable pair! LOLA and her sister QUINCY have been together their entire lives. They were found with their mom in a parking lot, very thin and approaching people for food. Some good folks rescued them and brought them to AAS, and now they are living in a foster home. **Thanks to their foster mom,** LOLA **and** QUINCY **are thriving!** They have **learned how great toys are**, and have become very comfortable with humans. They are **social and affectionate**, and love to be part of the action. **After such a rough and scary start in life,** LOLA **and** QUINCY **deserve a safe, loving home where they can continue to blossom, play, and soak up tons of attention.**

- **DOB: 5/1/2026, torbie, spayed**
- **INTAKE: 9/9/2026**
- Playful and Affectionate
- **Crazy about Churu and butt scritches**
- Social – will walk right up to people
- **Good with other cats; Unknown around dogs; Probably fine with older children**
