

DESPERATE HOUSECAT

SWEET PICKLE A898604

Adorable **SWEET PICKLE** is a HUGE fan of the carrier cuddle puddle! She was a community cat, but life was hard and she wasn't doing well, so she was brought to AAC. **SWEET PICKLE** does not currently trust humans, but as a member of our CACTUS CAT program - <http://austintexas.gov/page/cactus-cats>, she is receiving clicker training to encourage her relationships with people. Once she knows you, **SWEET PICKLE** enjoys being petted and can be very friendly. She is going to do best in a home with at least one cat buddy.
