

DESPERATE HOUSECAT TINK TINK 29832

TINK TINK arrived at AAS with many other cats from the same unsafe situation. She was **very shy and scared**, so she spent some time in a foster home. While in foster care, she **enjoyed being petted** (go slow), and discovered that she **loves catnip**. Currently, **TINK TINK** isn't comfortable being picked up, and will hide at times. She **needs an experienced cat person** to help her continue her progress as she acclimates to her new surroundings. **TINK TINK's** best situation will be a **quiet home with at least one cat buddy**. It probably won't take long before she is showing you just how **sweet** she really is!
